Subject: RE: Hello

Tom,

When would be a good time for me to call you this week? The facts are fairly simple, and I think I can lay them out in a short conversation with you. As you may recall, the real barrier to making my client's claim economically viable is the intransigence of the workers' compensation subrogation interest.

By way of background, I am attaching a report from my local investigator in Pennsylvania. The heart of the investigation, however, was conducted by telephone by my investigator in Texas and his report is quite lengthy. At this point, I think I can summarize the key liability facts for you in our anticipated telephone conference. Thanks again for getting back to me and I look forward to talking to you at your convenience.. **– Randy**

Subject: Hello

Randy,
I hope all is well.

I enjoyed meeting you at the AHA seminar with Rodney in Napa.

I wanted to follow up with you regarding the Pennsylvania accident case that we discussed. I apologize for my delay in reaching out to you, but I just finished a trial here in Philadelphia.

Please give me a call to discuss the case or feel free to email me the information if you would like me to review.

Sincerely, Tom

Thomas W. Sheridan
